WHAT WE DO

Kids' Meals is the ONLY free home delivery meal program in the nation focused exclusively on feeding preschool-aged children.

For \$2 per meal, we deliver hope straight to the doorsteps of poverty-stricken children.

WHAT WE'VE ACHIEVED

Since 2006, Kids' Meals has delivered more than 10.8 million free, healthy meals, additional pantry staples, and access to resources to help families break the crippling cycle of poverty. Each weekday, we deliver an average of 6,000+ meals to preschool-aged children uncertain of their next meal. We can't do it without YOU and over 20,000 volunteers who make this mission possible.

HOW YOU CAN HELP

No child should go hungry. Houston can be the first city in the nation to end childhood hunger and make sure every child has the opportunity to grow up healthy, but we can't do it without you!

1 in 4 Texas children are food insecure and more than 50,000 preschool-aged children in Houston live with food insecurity.

Donate. Volunteer.
